

Chapter 14A
Section 3: Water Quantity,
Fish Passage and Fish Screening

Table of Contents

WATER QUANTITY, FISH PASSAGE AND FISH SCREENING:

Key Parameter for Restoring Salmon Populations	1
Issue Background.....	1
Parameters of Concern	2
Quantity of Streamflows	3
Strategies for Maintaining Streamflows	4
Strategies for Restoring Streamflows.....	6
Fish Passage	13
Salmonid Mortality.....	15
Tie to Monitoring Strategy.....	17
Factors for Decline, Biological Objectives, and Agency Management Measures.....	18
Inadequate Streamflows to Complete Salmonid Life History.....	18
Obstructions to Fish Passage Necessary to Access Habitat During Critical Life Stages.....	47
Salmonid Mortality.....	55
State Measures	
DEQ 1S: Modification or Replacement of Diversion Dams Which Interfere with Fish Passage	50

DEQ 4S: Modification or Replacement of Diversion Dams	
Which Interfere with Fish Passage	50
DSL 11: Modification or Replacement of Diversion Dams	
Which Interfere with Fish Passage	50
ODA 9: Modification or Replacement of Diversion Dams	
Which Interfere with Fish Passage	50
ODFW IB4: Inventory Artificial Barriers.....	53
ODFW IB5: Inventory Water Diversions	33, 55
ODFW IVA3: Apply for Additional Instream Water Rights.....	22
ODFW IVA8: Identify Instream Flow Priority.....	24
ODFW IVB5: Instream Transfers and Leases.....	39
ODFW IVC1: Modification or Replacement of Diversion Dams	
Which Interfere with Fish Passage	50
Cooperative Removal of Barriers	52
ODFW IVC2: Screen Diversions Less than 30 CFS	56
ODFW IVC3: Watershed Health Funds for South Coast	
Fish Screening Needs	58
ODFW IVC4: Screening of Water Diversions Greater than 30 CFS.....	58
WRD S-1: Public Interest Review to Protect Salmonids	18, 47, 62
WRD S-2: Water Right Transfer Review for Fish Concerns	21, 47
WRD S-3: Coordinated Agency Field Meetings	22
WRD S-4: Issuance of Instream Water Rights.....	23
WRD S-6: Identify Unmet Instream Flow Needs.....	24
WRD S-7: Coordinated Enforcement Plan	28
WRD S-8: Increased Distribution and Enforcement.....	28
WRD S-9: Installation of Monitoring Stations.....	31
WRD S-10: Inventory Water Diversions	32
WRD S-11: Dissemination of Streamflow Data.....	35
WRD S-12: Improving Efficiency and Prohibiting Waste.....	36
WRD S-13: Agricultural Water Conservation Program	37
WRD S-14: Municipal Water Management Program	38
WRD S-15: Instream Transfers and Leases	39
WRD S-16: Water Right Forfeiture.....	39
WRD S-17: Public Outreach and Information.....	40
WRD S-18: Ground Water Studies	40
WRD S-19: Off-Stream Storage.....	42
WRD S-20: Serious Water Management Problems Areas	42
WRD S-21: Peak Flow Protection.....	44
WRD S-22: Modification or Replacement of Diversion Dams	
Which Interfere with Fish Passage	50
WRD S-23: Require Fish Passage on Ponds	54
WRD S-24: Protection Against Direct Habitat Loss	63
WRD S-25: Compliance Rate Monitoring	30
WRD S-26: Reservations	42

WRD S-27: Water Development Loan Fund	60
WRD S-28 — S-34: See Chapter 14A Section 5: Large Storage Dams and Hydroelectric Projects	
WRD S-35: Restoring and Maintaining Streamflows: Process Measure	35

Federal Measures

BIA1: Co-Manager Consultation.....	64
BLM/USFS1: Watershed/Habitat Restoration	48, 65
BLM/USFS4: Inventories	35
BLM/USFS5: Planning and Assessment	65
BLM/USFS6: Technical Training	43
BLM/USFS7: Cooperative Funding	65
BLM/USFS9: Natural Disaster Coordination	65
BLM/USFS11: Watershed Council Support and Coordination	65
BLM/USFS12: Key Aquatic Habitat Acquisition.....	48
BOR1a: Hydrologic Model for the Bear Creek Watershed	26, 45
BOR1b: Funding for Oregon Water Resources Department.....	35
BOR1c: Hydrologic Model for the Illinois Valley Watershed.....	26, 46
BOR1d: Technical Assistance for Watershed Council Activities	65
BOR1e: Technical Assistance and a Water Budget for the Illinois River Watershed Assessment	43, 65
BOR1f: Surface Water Budget for the New River Area.....	26, 46
BOR1g: Water Conservation in the Bear Creek Drainage.....	26, 46
BOR1h: Technical Assistance for the Umpqua River Basin Water Management Program.....	44, 66
BOR3a: Technical Assistance to Irrigation Districts on Federal Projects	44, 66
BOR3b: Funding for Oregon Water Resources Department for Hydrographic Equipment	35
BOR3c: Funding for Equipment and Analysis on Bear Creek	35
BOR3e: Funding for Upper Rogue Basin Conservation Districts	26, 46
BPA9: Access to Computer and GIS Data Bases	66
NOAA-NMFS1: Habitat Restoration Program	35, 48, 60, 63, 66
NOAA-NMFS2: Watershed Councils.....	66
NOAA-NMFS3: Habitat Conservation Plans.....	60, 63, 66
NOAA-NMFS6: Irrigation Screening and Fishways	48, 54, 55, 61, 63
NOAA-NMFS12: Highway Projects	48
NOAA-NMFS15: Water Supply Projects	26, 46, 48, 54, 55, 61, 62, 63, 66
NOAA-NMFS30: Snake River Recovery Plan.....	27, 61, 67
NOAA-NMFS40: Memorandum of Understanding with the Natural Resource Conservation Service.....	67
NOAA-NOS19: Coastal Management and Nonpoint Source Programs.....	49, 67
NRCS3: Snow Survey and Water Supply Forecasting	27
USFWS1: Jobs-in-the-Woods Program.....	49, 67

USFWS2: Habitat Conservation Plan Development.....	49, 61, 67
USFWS3: Aquatic Habitat Conservation Agreement Development and Conservation Activities	27, 49, 61, 64, 67
USFWS4: Technical Assistance on 1996 and 1997 Floods	27, 44, 46
USFWS5: Partners for Wildlife (PFW) Program.....	27, 49, 68
USFWS7: Assistance to Watershed Councils	68
USFWS8: Northwest Forest Plan Implementation Assistance.....	68
USFWS9: Biological Opinions to Prevent or Reduce Impacts to Listed Species.....	27, 49, 61, 64, 68
USFWS10: Fish and Wildlife Coordination Act Reports on Federal Projects.....	28, 47, 50, 62, 64, 68
USFWS13: Review of Dredge and Fill Projects.....	62, 64
USFWS16: Technical Assistance for Planning.....	68
USFWS17: Adopt-A-River and Salmon Watch Programs	69
USFWS18: Support to Ongoing Educational Programs (Outdoor School and Salmon Camp).....	69
USFWS19: Natural Resource Education and Community Awareness of Aquatic Resources.....	69
USFWS20: National Estuary Program	50
USFWS21: Conservation Strategy for Bull Trout.....	50
USFWS24: Interior Columbia Basin Ecosystem Management Project	69
References	70
Additional Relevant Information Available for Reviewing the Plan.....	70
Attachments.....	71
